A Message from Most Reverend Ronald W. Gainer

Dear Brothers and Sisters in Christ,

When 2021 began, we knew that COVID-19 would be with us for a few more months. But to still be facing the challenges of this pandemic at the end of 2021 was certainly unexpected. As we have found this year, flexibility and the willingness to adapt to ever changing situations has been key to continuing to offer our many ministry and faith formation programs. Because of the outstanding efforts of our clergy, religious, staff, volunteers and yes, each of you, we accomplished our mission of spreading the love of Christ throughout our Diocese this year.

2021 was another year of challenges, but also incredible opportunities. Our Catholic schools embarked on a strategic vision process and will develop plans for long-term, sustainable Catholic education in our Diocese. Our schools collectively also experienced a 6.5% enrollment increase. This is the first increase of any kind we have experienced since 2013 and the greatest one-year increase known to have occurred in our Diocese. What an incredible testament to our Catholic school faculty, administrators, staff, parents and supporters.

The vocations efforts in our Diocese also continued to grow in 2021, even during the pandemic. I was honored and humbled to ordain two men to the sacred priesthood, four to the transitional diaconate and to welcome 22 men as aspirants to our Permanent Diaconate program. I am also pleased that we have 19 men in formation for the priesthood studying at various seminaries.

Evangelization efforts were another area of focus during this past year. Building on the innovation that was started in 2020, we continued to offer our annual conferences and various faith formation programs with virtual options, reaching thousands of people with the message of Christ’s saving love.

All that we have accomplished in 2021 would not have been possible without your support of the Diocesan Annual Campaign. I am deeply humbled to see the outpouring of support the faithful have given to their parishes, Catholic schools, Catholic Charities, to their fellow man and to our Diocese. You have been true witnesses to the work of the Church and I am deeply grateful for your efforts.

In the pages that follow in this Impact Report, you will find details of how your support was used to continue the ministries of the Diocese, and to support the work of our parishes and Catholic schools. When reading this report, I pray you will see that your support does make a real, tangible impact in the lives of the Catholics, and some non-Catholics, within our Diocese.

This report focuses on our ministries, but I recognize the importance of full financial disclosure. While I anticipate our bankruptcy process will be concluding in early 2022, until we have emerged from this process we are not able to release an audited financial statement. However, we report monthly financial information to the bankruptcy court and these reports can be found at https://dm.epiq11.com/case/rcdh/info.

Thank you for your generosity and continued support of the Diocese of Harrisburg. You and your families are in my prayers. May God bless you and may you be filled with His peace.

Sincerely in Christ,

Most Reverend Ronald W. Gainer, DD, JCL
Bishop of Harrisburg
The Diocesan Annual Campaign (DAC) provides the vast majority of the financial resources needed to operate Diocesan ministries and programs and provides support for many parish level programs. The DAC partners with our parishes and the faithful, working together to strengthen the ministries and outreach, and further the mission of Jesus Christ in our Diocese. Below is a breakdown of the ministries and programs supported by the 2021 DAC.

**Vocations** support for our seminarians and those in formation as Permanent Deacons.

**Administrative operations** include the Office of the Vicar General and our Development office, which covers the Campaign cost.

The DAC funding provides a portion of the financial resources needed for **Catholic Charities** to operate their more than 20 programs.

**Educational programming** that supports our Parish based Catholic schools and Catholic high schools, our Parish Religious Education programs, the Diocesan Institute, the Principal's Academy, our Autism Certification Program and Catholic Scouting.

**Evangelization** support for our Multicultural Ministries, Campus Ministries, Youth and Young Adult Ministries, Family and Respect Life Ministries, Parish evangelization support, Communications and *The Catholic Witness*, just to name a few.

Support for the **Bishop’s Office**, the Priests Retirement Center and supplemental medical for our clergy.

**Parish support**, including the preservation of Parish records, **Youth Protection**, continuing formation for our clergy and religious, Liturgical materials through the Office of Divine Worship and Canonical assistance.

**2021 Goal** $7,386,514

Consistent with its policy of providing financial disclosure, the Roman Catholic Diocese of Harrisburg has worked hard for many years to provide financial transparency. On February 19, 2020 the Roman Catholic Diocese of Harrisburg filed for Chapter 11 bankruptcy. Due to this ongoing process, we are unable to release audited financial statements for the fiscal year ended June 30, 2021 until this process is complete. The financial records of the Roman Catholic Diocese of Harrisburg will be made available through these proceedings. All documents related to the bankruptcy can be found at https://dm.epiq11.com/case/rcdh/info.
Dear Friends of Harrisburg Diocesan Catholic Schools:

During these tumultuous times, our community should be especially proud of our Catholic schools.

We continue to navigate the COVID-19 pandemic, masking mandates, national teacher shortages and more challenges. And we are thriving. Please join me in thanking our teachers, principals and pastors for their commitment, faithfulness, tenacity and hard work.

In the 2020-21 school year, we fought hard to mitigate the spread of COVID and to keep our schools open for in-person learning. Even as we did so successfully, we learned much about teaching and learning effectively through technological tools, as they were needed at times. I am proud to say that we continue to find ways to integrate those tools into our teaching and learning, and we are the better for it.

Reflecting on the 2021-22 school year, we worked again with a talented task force to help our schools maximize in-person learning during these unprecedented times. Because of our faithfulness during this pandemic, we have found more and more families asking us to educate their children in faith and in academics. In our 35 Catholic schools, we grew in total enrollment by 6.5% from the fall of 2020 to fall of 2021! We have welcomed 580 new students to our schools in that time. This growth is the single largest year-to-year increase in our records, and the first since 2013-14.

In the 2021-22 school year, we are also striving to develop a “strategic vision” for our schools in order to establish the principles and goals that will strengthen our schools for the future. In order to do that, we are reviewing data, surveying stakeholders, holding interviews and working with national consultants to give us the best information and perspective possible.
Forming Mind, Body and Spirit

Through partnerships with our parishes and school leadership, we ensure the teachings of the faith are passed on to the next generation. Your commitment and support of Catholic education is critical to these efforts. Thank you!

On average, in our Catholic schools, 95% of elementary students score above the national average in language skills, 90% score above in reading, and 85% score above in math. Our schools are accredited by the Middle States Association of Colleges and Schools and are members of the National Catholic Education Association.

The mission of Catholic schools in the Diocese of Harrisburg is an essential part of the fulfillment of the educational ministry of the Roman Catholic Church. Its primary goal is the ongoing formation of the Christian person by developing the spiritual, intellectual, social, cultural, emotional, and physical gifts of the students entrusted to our care.

Thank you for your support.

Daniel Breen
Secretary for Education
Superintendent of Catholic Schools
Dear Brothers and Sisters:

The work of developing a “culture of vocations” is a work of patience and love. A culture of vocations is that environment where a young man is supported in his discernment of the Sacred Priesthood of Jesus Christ, or the culture where a young woman is encouraged to consider a life of complete self-gift to Jesus, for the good of the Church and of the world.

This encouragement must come not only from the parish priest, the deacon, or campus minister, but indeed it is imperative that every Christian must lend his or her voice to Christ, to encourage our young people to consider a religious vocation, to support that discernment and to continue to pray for the sanctification of the clergy and religious of our Church.

The Office of Vocations and the Office of Formation for Permanent Deacons are the closest collaborators with Bishop Gainer in building a culture of vocations in the Diocese of Harrisburg.

The Local Church of Harrisburg rejoiced in June with the ordination to the Sacred Priesthood wherein Fathers Aaron Lynch and Peter Rettig were ordained by Bishop Gainer.

Since the beginning of 2021, a new class of aspirants has been assembled to discern a vocation to the diaconate. The permanent deacons in the Diocese of Harrisburg offer their service to our parishes and missions where they preach, instruct the faithful, and often administer the Sacraments of Baptism and Holy Matrimony. In our schools these deacons teach the faith, and in our prisons and soup kitchens they minister to the “least among us.” The Diocesan Annual Campaign directly assists these 22 aspirants in the Permanent Deacon Formation Program so that they have access to excellent professors and effective retreats and formation days.

As life has slowly returned to normal, the work of the Office of Vocations has sped up tremendously. Nearly 40 young men descended upon Mount St. Mary’s Seminary in June for our Diocese’s annual Quo Vadis Days. This five-day-long residential retreat featured talks by our Diocesan seminarians and priests, friendly competition, and most importantly an opportunity to permit ears and hearts to be open to the voice of our Lord and his invitation to discipleship and, possibly, a priestly vocation.

Despite pandemic protocols, every high school in the Diocese of Harrisburg was visited by the Office of Vocations, and through the blessing of modern technology virtual visits were given to our colleges and universities. In total, more than 20 vocation
visits were conducted during 2021. During these visits, that simple invitation was given to the future of our Church: “Is God asking you to serve the Church as a priest or religious?”

Two new seminarians were added to the ranks of the Diocese in 2021. Currently 19 seminarians are sponsored by the Diocese of Harrisburg, studying in three seminaries (Mount Saint Mary, Saint Charles Borromeo, Pope Saint John XXIII National Seminary) and serving pastoral years in two Diocesan parishes.

Thank you for your generous support of the Diocesan Annual Campaign which makes the work of building a culture of vocations possible.

In Christ,

Fr. Jonathan P. Sawicki
Director of Vocations
Dear Brothers and Sisters in Christ,

I am truly blessed to share with you this yearly update from the Secretariat for Catholic Life and Evangelization (CLEV). Building on the innovation that started in 2020, this mission-oriented team offered programs and ministries through out-of-the-box thinking and in consideration of the ongoing COVID-19 pandemic. Despite the challenges, CLEV continued to serve as a resource for parishes, youth, young adult, and college campus ministries, religious education programs, along with ministries for marriage, family, respecting life, persons with disabilities, and our multicultural apostolates.

Evangelization is certainly a significant ministry area for CLEV. This year, our Office of Evangelization and Catechesis worked closely with parish Religious Education programs and Catholic school religion programs to ensure a strong Catholic identity and mission. In 2021, this office conducted regular online meetings with Parish Coordinators and Directors of Religious Education; reviewed, approved, and provided religion curricula and related materials; coordinated faith formation in-service programs for Catholic high school faculty; and recruited and approved religion teacher candidates for our Catholic high schools.

This office also plans the annual Diocesan Men’s, Women’s and Catechetical Conferences, providing faith enrichment to Catholics of all ages and in all stages of their faith journey. More than 1,540 individuals participated in these conferences in 2021, offered both in-person and virtually. Plans for the 2022 conferences are already underway!

A fully virtual program that we were happy to see return for a second year was the Truth, Beauty, and Goodness: Evangelization Speaker Series. This series featured a monthly virtual workshop from various presenters who spoke on apologetics, saints, scripture, art, music, Catholic culture, Catholic moral teaching, life issues, prayer and spirituality, etc. More than 500 people participated in the series this year, gaining greater knowledge, understanding, and appreciation of the Catholic Faith.

Marriage and family life is also a major focus area in CLEV. More than 210 couples (engaged or married) received marriage preparation, enrichment, or support through marital difficulties in 2021. Our efforts included distribution of materials to advance a positive and Catholic understanding on sex and marriage based on the Theology of the Body. Also among our family initiatives stands our outreach to youth. Multiple youth events were held throughout the Diocese, including the Virtual Lenten Retreat, which had more than 200 participants. We are grateful for our partnership with parishes as we continue to cultivate and nurture youth programs throughout the diocese.

Other key areas we ardently attend to are Life and Dignity. We champion the pro-life cause by supporting mothers who choose life while also ministering to post-abortive men and women. We seek to motivate individuals and parishes to be actively involved in life and dignity initiatives and encourage voters to vote in favor of, and petition their legislators to uphold, pro-life and pro-family values that advance the rights and dignity of all persons at every stage of life. This year, CLEV supported the efforts of 50 parishes with their pro-life ministries and five pregnancy resource centers.

In addition, this office hosts the Diocesan Camp at Kirchenwald, a one-week summer camp for adults with developmental disabilities. With multiple safety measures in place, we were blessed to hold the camp in person in 2021, giving campers a chance to reconnect...
safely during the summer after nearly two years apart. A total of 22 campers and 28 volunteers participated in the camp, which included faith-sharing, swimming, fishing, arts and crafts, and Mass with Bishop Gainer.

On October 24, we hosted the Diocesan Mass Celebrating the Gifts of People with Disabilities at Saint Catherine of Siena Parish in Quarryville. This Mass provides a special opportunity for our brothers and sisters with a disability to share their gifts and talents with the larger Diocesan family. Parishioners and visitors attended the Mass in person, with an additional 180 joining via live stream. This office also planned and hosted several online meetings with our Parish Advocates who work in their individual parishes to provide a welcoming, inclusive environment for people with disabilities.

Engaging hundreds of young adults in active conversations about the faith is another annual goal of the Diocese. This year, young adult gatherings included the Theology on Tap program and many related Bible studies and activities. CLEV partnered with Saint John Neumann Parish in Lancaster to host a Young Adult Day of Reflection, with more than 40 attendees.

As you can tell by the breadth of our programs, our Diocese is rather diverse. In particular, our diversity extends to multiple cultures and nationalities represented throughout our 15 counties. To support our Catholic brothers and sisters from other cultures, we coordinate the efforts of various multicultural apostolates in the Diocese. One of these apostolates, the Black Catholic Apostolate, held its annual Mass on February 7 and hosted the annual picnic for all the multicultural ministries during the summer. Additionally, this apostolate purchased a children’s book, teaching about six African American individuals being considered for canonization, and donated one book to each of the school libraries for the Diocesan Catholic schools.

The Secretariat for Catholic Life and Evangelization coordinates and oversees a variety of additional ministries and programs, all of which are possible because of support for the Diocesan Annual Campaign. I encourage you to visit www.hbgdiocese.org/dac for a complete listing.

I am personally grateful for and encouraged by the faithful contributions of your time, talent, and resources to our diocese and your parishes in particular. May God bless you - “a good measure, pressed down, shaken together, and running over.” (Luke 6:38)

Your fellow servant,

Deacon Gregory Amarante
Secretary for Catholic Life and Evangelization
Communications is traditionally considered a support function for many organizations. However, as we have seen during the COVID-19 pandemic, communications played a vital role in connecting the faithful to their local parish, Mass, faith formation and each other.

As one of the offices who receives funding from the Diocesan Annual Campaign, Communications uses their talent and expertise with written, visual, audio and social forms of communications as a means of evangelization.

Throughout 2021, our Communications team has worked behind-the-scenes to develop, design, compose and distribute information on our many programs, ministries, and events. Whether the Diocesan website, our podcasts and radio program, videos, social media, posters, flyers, or even interacting with the media, this office provides a vital service to our Diocese.

Throughout the past year and because of your support for the DAC, our Communications team has:

- **Live streamed** the Men’s, Women’s, Education, Catechetical and Harrisburg Diocesan Council of Catholic women conferences. Combined, these conferences have been viewed by 1,903 people.
- **Live streamed 14 Masses** for the Diocese, including Ordinations, the Chrism Mass and the Red Mass, reaching more than 25,800 people.
- Developed **43 videos** for Bishop Gainer’s *The Faith Alive!* series, which have been viewed by more than 35,900 people.
- Produced an additional **36 videos**, which have been watched by more than 75,600 people.
- Posted more than **1,080 messages** to the Diocesan social media channels.
- Produced nearly **112 programs** for our radio and podcast ministry, including Bishop Gainer’s weekly *Gospel Reflections*.
- Developed more than **80 pieces** of promotional materials for ministries, events and programs.
- Maintained **5 Diocesan related websites** and **built 7 websites** for our parishes.
- Produced **33 issues** of *The Catholic Witness*, with nearly **300 local stories**.
Sitting in the front pew at Sacred Heart of Jesus Church in Lancaster, where she and her husband Dean entered the Catholic Church during the Easter Vigil, Roxanne Wenrich remembered the first time they stepped foot inside. It was to see their granddaughter in Sacred Heart School’s Christmas tableau.

Roxanne recalled looking at the beauty of the church as her granddaughter participated in the school’s Christmas tableau and thinking, “Wow, to be Catholic!”

“I was trying to think of anybody I might have known who was a Catholic,” she said of that first visit. “It was probably the furthest thing from my mind to think I would be joining the Church, to be honest.”

On Holy Saturday, April 3, in front of family members and parishioners, Dean and Roxanne joined fellow candidate Tim Erdman in receiving the Sacraments of Confirmation and Holy Communion to officially become members of the Body of Christ.

Their attraction to Sacred Heart Church and their positive impression of its parochial school were the gateways to the RCIA (Right of Christian Initiation) process for Dean and Roxanne. RCIA is one of the many faith formation programs supported by the DAC.

Former members of Lutheran and Methodist congregations, Dean, Roxanne and Tim said they were overwhelmed to receive Jesus in the Eucharist for the first time during the Vigil.

“Before, it was just symbolism,” Tim said of receiving communion in his previous congregations. “This time, it just meant a lot more, knowing that it is actually the flesh of Jesus. It was an overwhelming feeling, and very joyous. I can’t really describe the way I felt, but for the first time in I don’t know how many years, it actually meant something to me.”

“It was nothing like I had ever experienced before when taking communion in other faiths,” Roxanne said. “I really took a pause to experience it, which I never did before. Before, I just kind of did my thing and went on.”

Tim, Dean and Roxanne also received the Sacrament of Confirmation. As baptized Christians, they received two of the three Sacraments of Initiation at the Easter Vigil.

The journey Tim, Dean and Roxanne set out on several years ago continues; it does not stop here.

“As I started going through this journey, I started getting more in touch with the Church. The more I’ve gotten involved, the more I wanted to do. I feel the same that I’ve always had from the first day I walked into Sacred Heart Church,” said Tim.

“I’m so glad for the RCIA classes, because they taught me a lot. Some things that I had questions about, the process cleared up,” he said. “The overall journey and the experience have been super for me. I’ve loved every minute of it.”

Dean compared his journey to the many layers of an onion: “We’ve only taken off the outer shell,” he said. “So far, it’s like we’ve been given a trickle, like, ‘Here’s a little bit, but there’s more.’ It’s been a wonderful experience, and I’m ready for more,” Dean said.

(This article first appeared in the April 8 issue of The Catholic Witness.)
Every year, the Diocese of Harrisburg participates in the annual compliance audit regarding the U.S. Bishops’ “Charter for the Protection of Children and Young People.” The Diocese has passed this independent audit of its child protection procedures every year since the policy was adopted by the United States Conference of Catholic Bishops in 2002.

The Diocese of Harrisburg’s Safe Environment Office ensures that Charter standards are continually met.

An additional project the Youth Protection office oversaw in 2021 was the recertification of thousands of volunteers. According to state Child Protection Services laws, every five years employees and volunteers must renew their youth protection clearances and retake the mandated reporter training. Thanks to the efforts of this office, thousands of volunteers and employees completed this recertification.

For more information on the Diocese of Harrisburg’s Safe Environment Program, visit www.youthprotectionhbg.com.

To report suspected abuse of a minor, please follow these two steps:

1. Call the toll-free PA Child Abuse Hotline at 1-800-932-0313
2. Report suspected abuse of a minor by a church official, employee or volunteer by calling the diocesan toll-free hotline at 1-800-626-1608

IT IS IMPORTANT THAT YOU REPORT SUSPECTED ABUSE WITH BOTH LAW ENFORCEMENT AND THE DIOCESE.

Email: ReportAbuse@hbgdiocese.org
Dear Friends of Catholic Charities,

As we continue to face challenges with the COVID-19 virus, the services of Catholic Charities for the Diocese of Harrisburg adapted in order to continue meeting the needs of our clients.

Over the past challenging year, Catholic Charities provided a range of high-quality services. Our residential and school-based services established protocols that ensured that all of our programming could be delivered safely and efficiently. Youth services as well as Outpatient Counseling made use of telehealth platforms, while other programs such as Day Treatment and Immigration and Refugee Services followed CDC guidelines as they served all who came in need.

Programs at Catholic Charities provide needed stability and support to women and children during dark and uncertain times in their lives. The unique nature of the range of programs can provide a holistic approach to care for those who are in need. It affords a women who is homeless to build relationships with Catholic Charities staff at Interfaith where she can receive housing support, employment guidance and then work with Catholic Charities’ outpatient counseling program for mental and emotional support. The success of Catholic Charities’ programs lies with the dedicated and compassionate staff who live each and every day to help those trusted to our care.

The support Catholic Charities receives from the Diocesan Annual Campaign is vital to our continued operation. Just this year alone, these monies helped us provide temporary housing for families, safe places for women choosing life for their unplanned baby, support and treatment for women battling addiction, and help for families welcoming a new member through adoption – all these and so many other programs were possible because of your support.

Thank you for supporting the vital human services work we provided in the Diocese.

I also thank Bishop Gainer, the Board of Directors and the staff and volunteers of Catholic Charities for their hard work and dedication in helping us do the work that we do, and by doing so, answer the Gospel call to “do unto others.”

As we enter our 83rd year of service, may God continue to Bless us and give us the strength to forge ahead and carry out His mission to help those who cannot help themselves. May He give us the resolve and commitment to help those in need.

Sincerely,

Kelly Gollick
Executive Director
