

BUSINESS

MAINTENANCE OF GROUNDS AND PROPERTY

The Principal is responsible to assure that the grounds and property around the school are safe and attractive.

The students are to be encouraged to take pride in their school and to keep the grounds and property free of litter.

The Principal directs and supervises the custodial staff in maintaining and caring for the grounds and property and in providing a safe area for all. The custodial staff is to keep the grounds and property safe at all times and is to be especially cognizant of any potential liability. Snow, ice, and other hazardous conditions are to be removed as soon as possible for the safety of all.

The custodial staff is to have a position description of responsibilities.

The parish and/or school is responsible to provide adequate materials and proper equipment for the maintenance of the grounds and property.
