5131 RE

CONDUCT

Students in the parish religious education programs of the Diocese of Harrisburg are expected to conduct themselves in a manner that reflects favorably on themselves, their families, and their parishes. Students are expected to have respect and to show consideration to the other students in the parish and to the catechetical staff. They are to cooperate to create a harmonious religious education atmosphere.

Students are to recognize their individual responsibilities as a condition for their acceptance into the parish religious educational program and their fulfillment of them as a condition for their remaining in the parish's programs.

Students are expected to conduct themselves at parish-sponsored activities in a manner that reflects the moral teachings of the Catholic Church. Failure to do this may result in disciplinary action, including expulsion from the parish activity or program.
