

NATIONAL ORGANIZATIONS

Every school in the diocese is expected to hold an institutional membership in the National Catholic Educational Association. The school budget should provide for memberships in this and other professional organizations which would be beneficial to the school and educators in their work.

All schools, elementary and secondary, are expected to participate in the Middle States Accreditation process.

Policy

Revised: March 26, 1996

Adapted: July 1, 2014

RWG/Bishop of Harrisburg
