GUIDELINES AND PROCEDURES FOR PARISH FINANCIAL MANAGEMENT

Parishes, Parish Elementary Schools, and Related Organizations/Activities
Revised: January, 2013

The following guidelines and procedures have been recommended by the Diocesan Task Force for Financial Policies for parish, parish elementary school, and parish related organizations.

GENERAL GUIDELINES AND PROCEDURES

I-I: Parish Financial Management

There are more than 19,000 parishes in the United States with a vast amount of Church assets that are entrusted to them. Strong systems of internal controls are needed to reduce the risk of fraud, misuse, waste or embezzlement. An effective internal control environment consists of written policies that are communicated regularly, well-documented procedures that are operating effectively, proper and frequent training of personnel, and effective monitoring of systems and procedures, with appropriate feedback. The existence and effectiveness of parish internal controls should be evaluated periodically.

Each parish should strongly consider implementing the financial management practices outlined herein to enhance its internal control environment. The Committee on Budget and Finance of the USCCB has endorsed these recommendations as “best practices.” These recommendations are designed to improve existing diocesan policies and procedures relative to financial management at the parish level and, therefore, should be viewed in the context of enhancements to, and/or a re-doubling of, existing efforts.

These recommendations are complementary to the work being done by the Diocesan Fiscal Management Conference (DFMC) on the internal audits of parishes, under the auspices of the USCCB Ad Hoc Committee on Diocesan Audits.

In the foreword to Diocesan Internal Controls, which was created by the United States Conference of Catholic Bishops’ Accounting Practices Committee and published by the USCCB Committee on Budget and Finance in 1995, Archbishop Murphy, then-Treasurer, notes that “Canon 1284 states that all administrators are to perform their duties with the diligence of a good householder. The bishop can delegate the authority but not the responsibility. He has the duty to ensure that no abuses exist in the administration of church goods within the diocese.”

The executive summary of that document points out, “Although the bishop will not become too involved in the details of the internal control system, he is the only person who has the power to ensure that each area of a diocese carries out its responsibility for the system. The proper tone must be set at the top of the organization, and for a diocese, that is the bishop.” As such, there must be effective oversight by the bishop for compliance with all diocesan policies in each area of the diocese, and each of the following recommendations are made within that overarching mindset.

1. A properly functioning parish finance council is integral to good parish financial management, is required by canon law, and a key element of a parish internal control system. To that end, and similar to the USCCB resolution entitled Diocesan Financial Reporting, each parish should send a letter not later than 90 days after the end of each fiscal year (i.e. September 30th) to the diocesan bishop (with a cc to HCAS) annually containing:
a. The names and professional titles of the members of the parish finance council
b. The dates on which the parish finance council has met during the preceding fiscal year and since the end of the fiscal year
c. The date(s) on which the approved (i.e. by the parish finance council) parish financial statements/budgets were made available to the parishioners during the preceding fiscal year and since the end of the fiscal year.
d. A statement signed by the parish pastor and the finance council members that they have met, developed, and discussed the financial statements and budget of the parish.

2. Thorough diocesan training should be provided by the diocese to parish finance council members relative to their roles and responsibilities.

3. Diocesan policies addressing conflicts of interest, protection of whistleblowers, and fraud (including prosecution in all cases) should be regularly communicated by the diocese to all parishes.

4. All parishes should complete an annual internal control questionnaire, and a proper review and follow-up be made by qualified diocesan personnel.

5. Parish financial manuals should be developed by dioceses, containing best practices, similar to Diocesan Financial Issues which has been developed for dioceses.

6. Financial training should be integrated into current seminarian programs such that students will be better prepared to handle these eventualities.

The following tools have been developed to assist dioceses in implementing the above recommendations:

1. Sample reporting form to be used for certification of the parish finance council’s activities (Exhibit I-I-A)
2. Sample agenda for parish finance council training (Exhibit I-I-B)
3. An example of parish finance council guidelines. This document represents the guidelines promulgated by the Archdiocese of Chicago and is provided solely as an example. (Exhibit I-I-C)
4. Sample parish internal control questionnaire (Exhibit I-I-D).

PARISH FINANCE COUNCIL TRAINING

Introduction

The Parish Finance Council is integral to good parish financial management. The Council is a consultative body that assists the pastor in the financial administration of the parish. Canon law mandates that all parishes have a Finance Council:

In each parish there is to be a finance council which is governed, in addition to universal law, by norms issued by the diocesan bishop and in which the Christian faithful, selected according to these same norms, are to assist the pastor in the administration of the goods of the parish, without prejudice to the prescript of canon 532. (cc 537).

To be effective, the Parish Finance Council should meet regularly (no less than quarterly) with specific agendas and should have access to all relevant financial information of the parish. The Council should consist of no less than three members who are chosen based on demonstrable skills or expertise in management, finance and accounting.

The Parish Finance Council provides oversight of the financial management of the parish. Major responsibilities of the Parish Finance Council include input to, and review of the parish annual budget and periodic financial statements; review of internal controls and procedures; and planning for the temporal needs of the parish.

Each diocese should consider developing a Parish Finance Council charter containing guidelines for the proper functioning of the Council, an example of which is attached. In addition, each diocese should consider providing periodic training for Parish Finance Council members relative to their roles and responsibilities.

PARISH FINANCE COUNCIL GUIDELINES

(Printed with the permission of the Archdiocese of Chicago—Version as of August 9, 2007—see website)

This document is intended as an overview of the responsibilities and roles of Parish Finance Councils as defined by Canon Law and best practices of parish administration. An active and well-formed Parish Finance Council is an important and necessary support to the parish administrator in fulfilling his duty of being a good steward of parish resources. A Parish Finance Council supports the good management of a parish and helps there be accountability to the diocese and to the parishioners. Each individual parish and school is encouraged to review this document and the best practices contained herein.

I. INTRODUCTION AND BACKGROUND

Parish Finance Councils assist the pastor in the administration of parish temporal matters. These guidelines are designed to aid Pastors and Finance Council members in the effective functioning of a Parish Finance Council by supporting the pastor in his stewardship of parish resources while being accountable to the parish and the diocesan bishop. An active, well-formed Parish Finance Council is a key element for promoting the financial health of a parish, assuring accountability and assisting the pastor with his temporal responsibilities.

In the administration of temporal goods of the parish, Canon 532 defines the role of the pastor as the authoritative representative of the parish. Canon 532 says, “The pastor represents the parish in all juridic affairs in accord with the norm of law; he is to see to it that the goods of the parish are administered in accord with the norms of canons 1281-1288.”

Canon 537 introduces the Parish Finance Council as a mandated body having an advisory and consultative role with the pastor. Canon 537 says, “Each parish is to have a finance council which is regulated by universal law as well as by norms issued by the diocesan bishop; in this council the Christian faithful, selected according to the same norms, aid the pastor in the administration of parish goods with due regard for the prescription of canon 532.”

Every parish therefore is required to have a Parish Finance Council, both by adherence to the Code of Canon Law and by local norms issued by the diocesan bishop. To be effective the Parish Finance Council should meet regularly (not less than quarterly) with specific agendas and should have access to all the relevant financial information and policies of the parish.

What follows is an outline of suggested ways to organize and operate a Parish Finance Council. Each diocese may also establish particular norms that more specifically define how a Parish Finance Council is expected to operate. Additionally, depending on the legal structure of a parish (either canonically or civilly), its corporate statutes may define additional roles and responsibilities for the Parish Finance Council.

II. CONSULTATIVE BODY TO PASTOR

The Finance Council works closely with the pastor, who is accountable to the diocesan bishop for the administration and stewardship of the temporal goods of the parish. The pastor, according to Canon Law, has among his responsibilities, the responsibility for parish financial and temporal management. The Parish Finance Council is a consultative body that assists the pastor in meeting these obligations. While the Parish Finance Council does not have decision making authority, consultation is at the heart of the decision-making process – sharing information, listening, contributing to the discussion, and promoting consensus.

Note: the full texts of Canons 1281-1288 may be found in Appendix A to this document. I-I-9

Canon law states that the pastor is obligated to consult the Finance Council on certain matters. Although the pastor is not obliged to follow the recommendations of the Finance Council, the pastor should not act against such advice, especially when there is consensus, unless there is an overriding reason. In other words, the prudent pastor would not ignore the advice of the Finance Council unless there was a serious reason to do so. When acting contrary to its recommendations the pastor should provide an explanation to the Finance Council regarding the reasons for his decision.
In order to be effective in their responsibilities as members of the Parish Finance Council, members should have a love for the Church and its mission and develop a thorough understanding of the parish’s mission, goals, people and other resources. The members should have knowledge of diocesan statutes and policies regarding temporal issues and other financial matters. It is the pastor’s responsibility to give the members appropriate background and enrichment so they are able to carry out their duties.

**Recommended Areas for Finance Council Consultation:**

1. The advice of the Finance Council should be sought both for acts of ordinary administration and acts of extraordinary administration. However, the degree of consultation varies. For certain actions of day-to-day administration, the pastor does not need any specific authorization to carry out such acts, but may find it helpful to seek the advice of the Parish Finance Council even in these matters. (For example, while the purchase of ordinary amounts of office supplies is within the pastor’s authority, the Finance Council may provide useful advice on strategies that reduce the cost of such recurring purchases.)

2. Diocesan norms require the pastor to consult with the Parish Finance Council regarding any commitment of parish resources over that specified in the “Diocese of Harrisburg Buildings and Properties Department Project Planning and Construction Procedures Manual”.

3. A parish will also need to seek written approval of the diocesan bishop prior to performing extraordinary acts of administration (c. 1281.1). Extraordinary acts of administration are defined by local norms and sometimes by the particular statutes of the parish. Extraordinary acts taken without such approval of the diocesan bishop are invalid acts and may also be invalid from a civil law standpoint. Examples of actions that the Harrisburg diocese considers to be extraordinary acts of administration are outlined in the “Diocese of Harrisburg Buildings and Properties Department Project Planning and Construction Procedures Manual” and involve a contract (employment, construction/repair, equipment, consulting, or services such as landscaping or cleaning), the acquisition or alienation of real property, the entering of a lease, the collateralization or mortgaging of real property, the sale of religious artifacts that would be considered as part of a parish’s patrimony (e.g. stained glass windows) and other matters. In the case of acts of extraordinary administration, the pastor must consult with his Finance Council prior to seeking approval of the diocesan bishop.

4. The advice of the Finance Council should be sought in the management of parish funds and banking arrangements. A limited number of bank accounts should be established and procedures for approving new accounts should be in place. The Finance Council should approve a new bank account before it is opened. This also applies to bank accounts for auxiliary groups. Please also refer to specific diocesan requirements with respect to the number and dollar limits on outside bank accounts.

5. The Finance Council should review the parish annual budget and parish annual report. They should ordinarily be involved in the preparation of both reports, particularly the budget report. After review, the chairperson of the Finance Council is to co-sign each report before it is submitted to the diocesan bishop through HCAS.

6. Annually, and not later than 90 days after the parish’s fiscal year end (i.e. September 30) along with the parish annual report, each parish is required to send a letter to the diocesan bishop containing:
a. The names and professional titles of the members of the Parish Finance Council.

b. The dates on which the Parish Finance Council met during the fiscal year for which the report was prepared, along with the dates of all meetings since fiscal year end.

c. The date(s) on which the approved (i.e. by the Parish Finance Council) parish financial statements/budgets were made available to parishioners during the preceding fiscal year and since the end of the fiscal year. A copy of said published financial statements/budgets should be provided.

d. A statement signed by the pastor or parish administrator and the Parish Finance Council members that they have met, developed, and discussed the financial statements and budget of the parish.

7. The Finance Council should provide assistance in the formulation and communication of the Annual Financial Report to the parish community, as required by Canon 1287.2. The Annual Financial Report to the parish community often includes more than just financial information (e.g. description of key issues, programs and events, statistics related to church attendance, sacraments, school and religious education enrollment, etc.) Additionally, many parishes find it helpful to provide parishioners with semi-annual or even quarterly updates on the parish’s financial condition. Understandable, regular and complete communication to parishioners is a key responsibility of the parish administrator and an important area for the Parish Finance Council to assist. Communication keeps parishioners informed of the parish’s condition, its priorities, its needs, and progress on previously announced initiatives.

8. The Finance Council should review any indebtedness of the parish and assist the pastor in fulfilling his obligations under canon 1284.5, i.e. to “pay the interest on a loan or mortgage when it is due and take care that the capital debt itself is repaid in due time.” Planning for debt repayment should be an integral part of the budget process. In some cases local norms require the Finance Council chairperson to co-sign, with the pastor, any parish loan to acknowledge that the loan has been discussed with the Finance Council.

9. The full financial report should be distributed monthly to members of the Parish Finance Council. Furthermore, no less than quarterly the Finance Council should review such periodic financial reports – balance sheet, income statements, comparisons to budget as well as prior year results and cash flow analysis.

10. Detail of budget to actual comparisons should be reviewed by individual program category, such as the elementary school and religious education. Significant variances from budgeted figures should be investigated and explained.

11. Review of internal control and procedures:

   a. If written procedures do not exist, participate in the development of written procedures for cash receipts, cash disbursements, administration of bank accounts, petty cash, and payroll.
   b. Review the financial reports for parish general operations, parish school(s) and other parish organizations or programs with bank accounts or revenue collection responsibilities, to determine that proper accounting practices and internal control procedures are in place.
   c. Alternatively, after consultation with the diocesan finance office, the parish may engage a CPA firm to perform an audit.
12. Review the activities of any parish auxiliary groups and verify cash balances of bank accounts. Annually meet with auxiliary groups to review the reporting of past year’s activities and a review of the budget for the coming year. Assess the accounting practices and internal control procedures in use to insure compliance with diocesan policies. Review the activities of the auxiliary groups to assure that they are not jeopardizing the tax-exempt status of the parish.

13. Consult on the construction or renovation of parish facilities, the sale or purchase of parish property, and lease agreements. The Finance Council assists the pastor in planning for repair, replacement, or service of property and equipment to ensure that the parish buildings and property are adequately maintained. Review maintenance and utility costs seeking to minimize costs through preventative maintenance, energy conservation, and the implementation of risk management programs and recommendations.

14. Assess effectiveness of existing fund-raising programs and recommend new programs or changes to existing programs if revenues are insufficient. Support parish and diocesan stewardship programs.

15. Review of fundraising activities, such as raffles, bingo, and concession sales for acquisition of required licenses, support documentation for tax filings, and actual tax filings.

16. Provide advice on matters requiring proxies by the parish civil corporation when it is incorporated separately.

17. Become knowledgeable on diocesan fiscal policies and norms to provide advice on implementation. Evaluate compliance with diocesan fiscal policies and assist the pastor in meeting these obligations.

18. Provide advice on what the parish needs to do to comply with diocesan policies and USCCB recommendations with respect to conflicts of interest, protection of whistleblowers and fraud detection, reporting and prevention.

19. Provide advice on how to use undesignated bequests or other unbudgeted revenue.

20. Provide advice on hiring and evaluating a business manager or anyone providing business services to the parish. Provide advice on training that might be helpful for parish staff.

21. Where possible, help the pastor establish and manage a parish endowment program in the FOCUS Foundation. Particularly, help insure that the purpose of the endowment is well-defined considering the long-term needs and life of the parish and that any restricted gifts are first reviewed to assure that the parish can accept the restriction and, once accepted, that the funds are spent consistent with the donor restriction(s). Similarly, provide advice and oversight if an endowment already exists.

**III. MEMBERSHIP**

The Parish Finance Council is about the life of a community of faith and, as such, its members should be members of that community of faith. As in other matters, the Pastor may use his discretion in the selection of qualified members from the parish community.
1. Representation
   a. Members should be drawn from the parish community and reflect its diversity. This requirement may be waived if special expertise is sought. Where appropriate, outside advice and counsel can also be engaged to obtain needed specific expertise.

   b. Members of the Parish Finance Council should be chosen based on demonstrable skills or expertise in management and/or finance. Skill sets to consider include business, law, accounting, and communications. Additionally, persons with professional knowledge and experience in engineering, construction, maintenance, and purchasing could also make a significant contribution and should be recruited when available. Expertise can vary widely and include a business executive, accountant, lawyer, and small business owner (any business, even a small neighborhood business). The unique talents within the parish community should be sought. A parish Time, Talent, and Treasure survey may be helpful in identifying parishioners having the desired skills and willingness to serve.

2. Number of Members
   a. Membership should consist of no less than three members.
   b. A quorum shall consist of the majority of members.
   c. It is recommended that the Parish Finance Council have an odd number of members and that, except for unusual circumstances, membership be capped at no more than nine voting members.
   d. It may be helpful to form subcommittees.

3. Officers
   a. The officers of the Parish Finance Council shall be a Chairperson and a Secretary.
   b. The pastor shall appoint the Chairperson after the members have gone through a period of discernment.
   c. The Chairperson will preside in a parliamentary manner at all meetings and, in consultation with the Pastor or Parochial Administrator, will be responsible for selecting the hour and location of meetings, preparing the meeting agenda, and any other duties so assigned by the Pastor or Parochial Administrator.
   d. The Secretary will be responsible for the recording and distribution of minutes, notifying members of upcoming meetings, maintaining a permanent record of each member’s tenure and of business conducted by the Parish Finance Council, and any other duties so assigned by the Chairperson.

4. Conflicts of Interest / Preclusion to Membership
   a. Parish Finance Council members owe the parish a duty of loyalty. The duty of loyalty requires a Parish Finance Council member to act in the interest of the parish rather than in the personal interest of the member or some other person or organization. In particular, the duty of loyalty requires a Parish Finance Council member to avoid conflicts of interest that are detrimental to the parish.
   b. Any person who may have a conflict of interest in view of other services, either paid or unpaid, rendered to the parish by the Parish Finance Council member, the member’s family or the member’s business is ineligible to serve as a member of the Parish Finance Council.
   c. On an annual basis the Parish Finance Council members should disclose in writing any known financial interest that the individual, or a member of the individual’s family, has in any business entity that transacts business with the parish.
   d. No parish employee or member of the family of an employee or relative of the pastor may serve on the finance council.
e. Members of the Parish Finance Council may serve in other volunteer service roles in the parish such as other committees or boards if, in the judgment of the pastor, such dual service will not create conflict of interest situations. The role of the Parish Finance Council should not be diminished or made ineffective.

f. It is recommended that no member should serve on the Parish Finance Council at the same time as a closely related person (e.g. husband and wife, mother and son...).

5. Role of Parish Employee
Parish employees are not members of the Parish Finance Council; they are staff and support the Parish Finance Council. Parish employees should be available to answer questions regarding parish programs, accounting, financial reporting, and internal controls. The Finance Council should be provided relevant and timely information including financial reports, income statement, budget to actual comparisons, loan balance payments and interest payments, investment of surplus funds, and status of fundraising drives) to review.

The parish Business Manager should attend meetings in a consultative, non-voting capacity. Likewise, when parish buildings and grounds are to be discussed, inviting staff responsible for these areas can enhance the discussion.

6. Acknowledgement of Members
Acknowledge members’ contributions to the Finance Council and subcommittees at meetings, in the minutes, in the bulletin and in other appropriate ways.

7. Terms
a. Members are to be appointed by the pastor for fixed terms to be determined at the local level, and may be reappointed or terminated in this role by the pastor at the pastor’s sole discretion. It is suggested that reappointments are limited to a specific period of time. It may be helpful to stagger the terms so that there is continuity of service and no disruption to the function of the Finance Council. For example, a parish may adopt a term of three years, renewable once.
b. When a pastorate becomes vacant, it is recommended that the Parish Finance Council remain in place to assist the administrator and to provide continuity in a transition. After a suitable period of transition with a new pastor, the new pastor can ask the council members if they are willing to complete their respective terms or whether he would like some or all of the members to resign so that new members can be recruited to the Parish Finance Council.

IV. MEETING PROTOCOLS

In striving for openness and accountability in its practices, meeting minutes summarizing the items discussed and the decisions reached should be recorded. Prepared agendas, distributed in advance, will keep meetings focused.

Plan meetings in advance and create an annual schedule of meeting dates and times. This will increase participation by members.

1. Schedule Meetings
Schedule meeting times at least once a quarter, or more frequently if required. Some parishes use a format of the finance council meeting every other month with subcommittees meeting during the off months. Meeting times and dates should be predictable, such as a day and week of each month. Since the purpose of the Parish
Finance Council is to provide advice and support to the pastor, the pastor should be present at the Parish Finance Council meetings.

Formulate a communication method among officers to deal with Parish Finance Council matters between meetings.

2. Use of Agendas and Review Materials
Meeting agendas should be prepared in advance of the meeting by consultation between the Pastor and Parish Finance Council Chair. The agenda should list the major items for discussion. Supplying information in advance to members will lead to more productive meetings.

3. Recording of Meeting Minutes
Minutes should be recorded by the Parish Finance Council Secretary and archived as part of the parish permanent record.

4. Confidentiality
Members should maintain confidentiality on those matters designated as confidential. Materials such as agendas, meeting minutes, and review materials should not be disclosed to others if designated as confidential.

Parish Finance Council meetings are typically not open to the parish community. Reports to the community will be shared once decisions are finalized. Communication with the parish should also occur at the onset of studying an issue to solicit needs and concerns, gifts and resources of the parish community. The primary purpose of the Parish Finance Council is to provide open and honest advice to the pastor, if the meetings occurred in a public forum, the discussion may be too limited. The Finance Council should advise the pastor on the best ways to keep the parish informed and involved in key issues and decisions facing the parish.

5. Record Retention
The parish should retain meeting minutes, agendas, handouts, reports, and materials reviewed during the meeting for future reference by either internal or external parties.

V. SUBCOMMITTEES

It often makes sense to divide the Finance Council into subcommittees to deal with responsibilities and duties. The magnitude and complexity of the different subcommittees depends upon the size, resources, obligations, and needs of each particular parish. The Finance Council, following the priorities established by the Parish Pastoral Council, coordinates the work of these subcommittees.

The work of the subcommittees may encompass the following:

1. Budget Subcommittee
   - To assist the pastor in the preparation, presentation, and review of an annual budget for both operating and capital expenditures based upon the goals and objectives determined by the Parish Pastoral Council. This approved budget should be published and made available to parishioners.
   - To assist other programs and ministries in preparing and submitting their annual budgets to the parish.
   - To study parish revenue and make recommendations to the Parish Pastoral Council for maintaining and increasing revenues in order to meet parish objectives and priorities.
   - To periodically (e.g. monthly or quarterly) review income and expenditures and make recommendations as necessary to see that expenses are within set limits. Monitor parish contribution trends.
To provide parishioners with periodic (e.g. semi-annual or annual), comprehensive written reports on the parish’s financial position, including a statement of activity as well as cash and savings and loan balances. Consider oral reports to parishioners to elaborate on key results and issues.

To work with the elementary school and the religious education program regarding the budget, review internal controls of the business office, and prepare recommendations regarding subsidy approval. The same applies if supporting a regional school or consolidated school and may involve communication with other Parish Finance Councils or with a School Finance Council.

To review periodic financial audits of the parish performed by an independent auditor and advise on how to address and correct identified weaknesses. Assist in communicating results of audits to parishioners.

Conduct self-administered audits of internal controls and procedures. Particularly focus on areas involving cash receipts and any disbursements. Review procedures used for gathering, counting and recording Sunday collections and tuition and control of bank accounts. Confirm duties are adequately segregated. Share findings with appropriate diocesan personnel.

To ensure that tamper-evident cash bags along with a robust collection and counting procedure is routinely used in the parish. Tamper-evident bags with robust handling procedures are required for any event or activity handling cash. Refer to Policy for Sunday Collection Procedures.

To ensure that bank reconciliations are regularly completed very soon after each bank statement is received and that the reconciliations are checked by someone other than the person performing the reconciliation.

To educate parishioners about stewardship and the need for parish involvement and support. If a parish has a separate stewardship committee this responsibility would fall to that committee.

To review cost-cutting measures when necessary.

2. Facilities and Maintenance Subcommittee

Advise the Pastor regarding the results of quarterly inspection of all parish facilities.

Recommend repairs or replacements based on priorities established by these inspections. Coordinate with Diocesan Buildings and Properties.

Develop a detailed inventory of all parish assets in accordance with Canon 1283.2 and update the inventory on an annual basis.

Assist in the development of guidelines concerning use of parish facilities.

Assist in the development of parish energy conservation programs.

Develop teams of parishioners who will donate time and talents for parish maintenance tasks, taking note of the extent to which such work is allowed to be performed by volunteers under the guidelines of the diocesan risk management and insurance programs.
Review the parish’s risk management and loss prevention reports in order to insure corrective action is taken where necessary.

Ensure that the safety and security of the parish campus is addressed and reviewed regularly.

If applicable, notify the parents, teachers, and employee organizations about the availability of the school asbestos management plan. The annual notification should occur sometime in October. A copy of the notification and a description of how it was sent should be mailed to the Department of Buildings and Properties for inclusion in the parish’s Diocese Management Plan. A sample letter notifying parents, teachers, and school employees is available by contacting the Department of Buildings and Properties.

3. Financial Planning and Development Subcommittee

To provide long-range planning for both the financial and physical needs of the parish.

To work closely with the budget and maintenance subcommittees, the Parish Pastoral Council, and other parish organizations to adequately plan and identify for the long range financial and physical needs of the parish.

VI. RELATIONSHIP TO PASTORAL COUNCIL

Since the Parish Finance Council relates to the administrative responsibilities of the pastor, it should not be a part of the Parish Pastoral Council structure. However an officer from the Parish Finance Council may serve as an ex-officio member of the Parish Pastoral Council. Communication between the two councils is essential to share information regarding the parish finances in order to implement the pastoral plans and priorities.

The Finance Council is distinct from the Parish Pastoral Council in the following way:

An appropriate means of communication should be developed between the Parish Finance Council and the Parish Pastoral Council and this should be done so as to ensure that the Parish Finance Council does not enter into areas of policy and mission, which are the prerogative of the Parish Pastoral Council. The Parish Finance Council advises on the adequacy of resources to accomplish the mission and specific ministries of the parish.

The Parish Finance Council reviews a draft of the parish annual calendar prepared by the Parish Pastoral Council.

VII. RELATIONSHIP TO OTHER PARISH GROUPS/ COUNCILS

Although there is no formal reporting process between the Parish Finance Council and other parish groups/councils, the Finance Council should interact with parish groups/councils to study, create, and revise plans for the effective management and use of parish resources.

VIII. A CHECKLIST OF MAJOR ACTIVITIES

The Parish Finance Council should establish an annual plan of its activities. Such a checklist could include the following activities:

1. Parish Annual Report
   a. Review completed report prior to submission to the diocesan bishop. The report should be complete within 90 days of the end of the fiscal year.
b. Coordinate communication to parish community of the financial situation of the parish. Consider using printed material, oral presentations, and parish hall meetings. Report should be presented to the parish as soon as possible, but no later than 3 months after the end of the fiscal year.

2. Parish Budget Report
   a. Project and plan resources to meet specified goals.
   b. All individual program budgets are reviewed: church, elementary school, religious education, and auxiliary groups.
   c. Share proposed budget with the Parish Pastoral Council and the general parish.
   d. Complete and submit to diocesan bishop as required.

3. Financial Review

References – Canons 1281-1288

Canon 1281
§1 – With due regard for the prescriptions of their statutes, administrators invalidly posit acts which go beyond the limits and procedures of ordinary administration unless they first obtain written authority from the ordinary.

§2 – The acts which go beyond the limits and procedures of ordinary administration are to be defined in the statutes; if, however, the statutes do not mention such acts, it is within the competence of the diocesan bishop to determine such acts for persons subject to him after he has heard the finance council.

§3 – Unless and to the extent that it is to its own advantage, a juridic person is not held to answer for acts invalidly posited by its administrators. A juridic person, however, is responsible for acts illegitimately but validly posited by its administrators with due regard for the right to sue or to have recourse against administrators who have damaged it.

Canon 1282 – All clerics or lay persons who through a legitimate title take part in the administration of ecclesiastical goods are bound to fulfill their duties in the name of the Church and in accord with the norm of law.

Canon 1283 – Before administrators take office:
1° – they must take an oath before the ordinary or his delegate that they will be efficient and faithful administrators;
2° – they are to prepare, sign and subsequently renew an accurate and detailed inventory of immovable goods, movable goods, either precious or of significant cultural value, or other goods along with a description and appraisal of them;
3° – one copy of this inventory is to be kept in the archives of the administration; the other, in the curial archives; any change whatever which the patrimony may undergo is to be noted on each copy.

Canon 1284
§1 – All administrators are bound to fulfill their office with the diligence of a good housekeeper.

§2 – For this reason they must:
1° – take care that none of the goods entrusted to their care is in any way lost or damaged and take out insurance policies for this purpose, insofar as such is necessary;
2° – take care that the ownership of ecclesiastical goods is safeguarded through civilly valid methods;
3° – observe the prescriptions of both canon and civil law or those imposed by the founder, donor or legitimate authority; they must especially be on guard lest the Church be harmed through the non-observance of civil laws;
4° – accurately collect the revenues and income of goods when they are legally due, safeguard them once collected and apply them according to the intention of the founder or according to legitimate norms;
5° – pay the interest on a loan or mortgage when it is due and take care that the capital debt itself is repaid in due time;
6° – with the consent of the ordinary invest the money which is left over after expenses and which can be profitably allocated for the goals of the juridic person;
7° – keep well ordered books of receipts and expenditures;
8° – draw up a report on their administration at the end of each year;
9° – duly arrange and keep in a suitable and safe archive the documents and deeds upon which are based the rights of the Church or the institution to its goods; deposit authentic copies of them in the archive of the curia when it can be done conveniently.

§3 – It is strongly recommended that administrators prepare annual budgets of receipts and expenditures; however, it is left to particular law to issue regulations concerning such budgets and to determine more precisely how they are to be presented.

Canon 1285 – Within the limits of ordinary administration only, it is permissible for administrators to make donations for purposes of piety or Christian charity from movable goods which do not pertain to the stable patrimony.

Canon 1286 – Administrators of goods:
1° – are to observe meticulously the civil laws pertaining to labor and social policy according to Church principles in the employment of workers;
2° – are to pay employees a just and decent wage so that they may provide appropriately for their needs and those of their family.

Canon 1287
§1 – Both clerical and lay administrators of any ecclesiastical goods whatsoever which have not been legitimately exempted from the governing power of the diocesan bishop are bound by their office to present the local ordinary with an annual report, which in turn he is to present to the finance council for its consideration; any contrary custom is reprobated.

§2 – Administrators are to render an account to the faithful concerning the goods offered by the faithful to the Church, according to norms to be determined by particular law.

Canon 1288 – Administrators are neither to initiate nor to contest a lawsuit on behalf of a public juridic person in civil court unless they obtain the written permission of their own ordinary.

Definition: A juridic person is an artificial person constituted by competent ecclesiastical authority for an apostolic purpose, with a capacity for continuous existence and with canonical rights and duties like those of a natural person. Like a civil-law corporation, it is a legal construct which can and must be conceived of apart from the natural persons who constitute it, administer it, or for whose benefit it exists. Of its nature, a juridic person is perpetual and, once established, it can outlast all natural persons or material goods which formed it.
