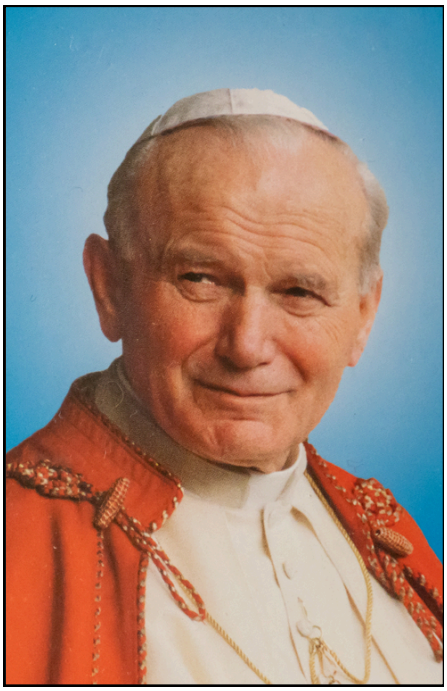
Saint John Paul II Prayer Community

~ An invitation from the Diocese of Harrisburg ~



<u>You</u> are an important part of the life of the Church.

You are invited to join a special ministry in the Diocese of Harrisburg called the *Saint John Paul II Prayer Community.*

We are asking individuals who, because of illness, advanced age, or disability are primarily confined to their home to join our Prayer Community. Community members are invited to offer their prayers, works, joys, and sufferings to God for the intentions and needs of our Church, our world, and one another.

What do you have to do if you become a member of the *Saint John Paul II Prayer Community*? Offer all or part of your prayer for the intentions that will be given to you or accessed online. Sometimes you do not feel strong, but your prayer is strong and needed in our Church and world.
