You are an important part of the life of our Church and parish. You are invited to join a special ministry in the Diocese of Harrisburg called the Saint John Paul II Prayer Community.

We are asking persons who, because of illness, advanced age or disability, are homebound to offer prayers, joys and sufferings to God for intentions and needs of our Church, our world, and each other.

If you become a member of the Saint John Paul II Prayer Community what do you have to do? The answer is simple: you are asked to offer all or part of your prayer for the intentions that will be sent to you. There may be days when you do not feel strong but your prayer is strong and needed in our Church and world.

If you are interested in being part of this ministry, please call, e-mail, or fill out the information below and mail to:
